

20th ESPD Annual Meeting

12 – 14 May 2021
VIRTUAL

Prof. Sirkku Peltonen

Professor Sirkku Peltonen, MD, PhD works in the Department of Dermatology, University of Gothenburg and Sahlgrenska University Hospital in Gothenburg, Sweden, where she runs sees patients with genodermatoses. She has been studying neurofibromatosis type 1 in University of Turku, Finland and Thomas Jefferson University, Philadelphia, USA since her PhD project in late 1980's. She has worked on basic science, translational and clinical research topics on NF1 such as neurofibroma tumors, speech, osteoporosis and craniofacial features. Her most recent publications are epidemiological studies on neurofibromatosis 1 and its co-morbidities.
