

# 20<sup>th</sup> ESPD Annual Meeting

12 – 14 May 2021  
VIRTUAL

## PD Dr. Lisa Weibel

Lisa Weibel is the Head of the Pediatric Dermatology Department at the University Children's Hospital Zurich. This Pediatric Skin Center is characterized by 8000 out-patient consultations per year under the lead of 4 full-time Pediatric Dermatology Consultants and includes several multidisciplinary specialist clinics.

Lisa Weibel holds board-certifications in Pediatrics (2007) and Dermatology and Venerology (2010). Her residency training included training in Pediatrics at the University Children's Hospital Zurich, in Dermatology and Venerology at the University Hospital Zurich and a two-year fellowship in Pediatric Dermatology at Great Ormond Street Hospital for Children in London (2005-2007). She achieved her MD-Thesis in 2001 and her associate professorship (PD) in 2016 from the University of Zurich. Her areas of interest are vascular anomalies, neonatal dermatology, morphea and rare skin diseases. She has published >90 peer-reviewed articles (incl. 45 original articles), is the author of several book chapters in international textbooks and acts as Principal Investigator of investigator-initiated and industry-sponsored clinical trials.

Lisa Weibel is a Board Member of the ESPD, the European Hemangioma Task Force, the Swiss Group for Pediatric Dermatology (SGPD), President of the Swiss Group for Vascular Anomalies and Member of the International Society for the Study of Vascular Anomalies (ISSVA). She is a popular lecturer with >55 invited international talks, including EADV, ESPD, ISSVA, WCD and the WCPD. Her academic mentoring activities have supported 8 physicians to become full-time Pediatric Dermatologists and she acts as Mentor within the ESPD mentoring program
