

# 20<sup>th</sup> ESPD Annual Meeting

12 – 14 May 2021  
VIRTUAL

## PD Dr. Karoline Krause

Karoline Krause, M.D., is Assistant Professor of Dermatology at the Department of Dermatology and Allergy, Charité – Universitätsmedizin Berlin, Germany. She received her medical degree and completed her residency in Dermatology at the University of Hamburg, Germany. Since 2008, Dr. Krause has served as a Dermatologist and Allergist at her current institution.

She is founder and coordinator of the interdisciplinary Autoinflammation Reference Center Charité (ARC<sup>2</sup>), a joint initiative of the Depts. of Dermatology and Allergy, Pediatrics, Rheumatology, Neurology and Ophthalmology to enhance research and to improve the management of autoinflammatory diseases.

Dr. Krause initiated and directed multiple clinical trials and translational projects in the field of dermatology and allergy. Her main clinical and scientific areas of research are inflammatory skin diseases including urticaria and other mast cell-driven diseases, autoinflammatory syndromes and pruritus.
