# Pediatric dermatology – our passion since 1984

It is our goal to promote clinical care, interdisciplinary research, education and training, and to stimulate international contacts within Europe in the field of Pediatric Dermatology.

## Our Members

are Pediatric dermatologists and associated specialists.

## ESPD Activities

### ESPD Annual Meetings

held every year in one of the European cities.

### ESPD Pediatric Dermatology Training scheme

with ESPD certification – will be launched in 2022.

### Scientific website SciESPD

with regular updates on all the latest literature findings in Pediatric Dermatology and much more.

### ESPD Experts Lecture series

exclusive monthly lectures from ESPD Experts on Pediatric Dermatology topics.

### ESPD Mentorship scheme

private one-to-one sessions with senior members of ESPD.
