Letter of support for the IACAPAP 2018 Congress

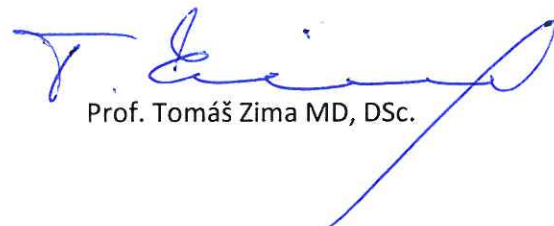

Dear IACAPAP 2018 representatives,

On behalf of Charles University I would like to express our support of the 23<sup>rd</sup> World Congress of the International Association for Child and Adolescent Psychiatry and Allied Professions (IACAPAP) which will take place from 23-27 July 2018 in the Palace of Culture in Prague.

I am convinced that the IACAPAP 2018 Congress will not only offer a one-of-a-kind opportunity to share views of cutting-edge findings and trends in the field of child and adolescent psychiatry, but it will also emphasize the importance of comprehensive care of the mental health of children and adolescents as one of the main priorities of modern society in the 21st century.

I strongly support the decision to make the IACAPAP 2018 Congress and wish it comes up to all the participants' expectations.

Yours sincerely,

Prof. Tomáš Zima MD, DSc.
