

14th International Conference on Urban Drainage

September 10-15, 2017 | Prague, Czech Republic

Nominations for JCUD Mid-Career and Career Awards

Every three years, the Joint Committee on Urban Drainage (JCUD) recognizes outstanding achievements of professionals in our field by bestowing two career achievement awards: One for 'Mid-Career Achievement' (awarded to someone who is part-way through their career and showing important leadership; typically, these nominees will be less than 50 years old) and the other for 'Career Achievement' (awarded to a senior member of our urban drainage community).

The same basic criteria are used for both awards; the key criterion is that the candidate's contribution in the urban drainage field is internationally recognized and may result from any of the following attributes:

- Important and influential research findings, including publications in peer-reviewed journals,
- Training of graduate students and young professionals,
- Innovative and formative practice in the field, and promotion of such practices,
- Education/dissemination/promotion of innovative ideas through conference and workshop presentations, and/or publication of widely used books and reports/guidelines,
- Sustained contributions to the urban drainage field through such activities as conference organization, document (paper) reviews, editorial services rendered to journals, and working group leadership, and
- Any combination of the above.

Nominations may come from JCUD members or from any member of the drainage community, and each nomination needs to be endorsed by at least two supporters (preferably of different affiliations). Self-nominations are not accepted. The selection of winners will be made by the Joint Committee members, through a voting process, and announced by the Joint Committee Chair at the 14th International Conference on Urban Drainage in Prague, Czech Republic, Sep. 10-15, 2017.

The proponents nominating candidates for these two awards should prepare and submit two supporting documents: (1) a brief nomination document (not longer than 2 pages), giving the basic information for the candidate, the type of award, and justification of the nomination; and, (2) nominee's CV (not more than 5 pages).

Award nomination documents should be submitted to Manfred Schuetze (Manfred.Schuetze@ifak.eu) and Jiri Marsalek (Jiri.marsalek@canada.ca) by April 30, 2017.
Thank you.
