

VISIT THE FARM ČAPÍ HNÍZDO

The company AGROFERT HOLDING, a.s. invites you to attend the social event taking place on the Farm Čapí Hnízdo on 7th June 2011.

About Agrofert

As regards sales, AGROFERT HOLDING, a. s. is the largest Czech agriculture and food group which consists of over 230 companies from the following segments: chemistry, agriculture, food production and ground machinery. AGROFERT is the first Czech company which provides a complete food manufacturing process in bakery, meat processing and milk production in the system referred to as „from field to fork“. AGROFERT takes part in all segments of the food production chain and is able to guarantee high quality and safety of all products. This model was extended by the non-food use of rape in the system „from seed to biofuels“ and it continuously brings significant environmental improvements. More at www.agrofert.cz

About Preol

The company PREOL, a.s. is the most modern rapeseed processing plant in the Czech Republic having the total processing capacity of 400 000 tons a year and the subsequent production capacity of 160 000 tons of half-refined rape oil. The larger amount of oil production capacity is destined for annual production of 100 000 tons of rapeseed oil methyl ester. Within this production capacity, there are up to 260 000 tons of extruded rape meal produced per year which are destined for feed manufacture. The PREOL development plans take into account the increase of rapeseed processing capacity to 450 000 tons per year and the construction of edible oil refinery. More at www.preol.cz

About the Farm Čapí Hnízdo

The Farm Čapí Hnízdo is a unique multifunctional area which is located 50 km southeast of Prague. The farm includes modern congress facilities and sensitively reconstructed farm. The original farm and distillery coming from the second half of the 17th century have been reconstructed in an architecturally very inventive and sensitive way. More at www.capihnizdo.cz
